▶ Two children	one session each \$145+131=\$276	\$140+128= \$268
▶ Three children	one session each \$145+131+131=\$407	\$140+128+128=\$396

Swimmers are grouped by skill level and then age. Classes are created for registrations received and then times are assigned. This helps to get siblings back-to-back in most cases, no guarantees, but I work diligently to make it happen.
